## Patient Portal

RMI's Patient Portal is a secure place where you can view your medical information and update your patient demographics. You can view the exam reports that go to your doctor.

You can also send secure messages to RMI through the secure messaging center.

## Frequently Asked Questions

### How do I register for the Patient Portal?
To register for the portal, please let us know in person during check-in, or by phone at 810.732.1846 or by email at PatientPortal@rmipc.net.

### When are my exam reports available?
Most reports will be available to view online via the RMI Patient Portal six (6) days after your exam. However, pathology exam reports will take up to 14 days before they are available to view.

### Can I fill out my medical questionnaires?
At this time, your medical exam questionnaires are only available onsite. However, you can update your demographic information.

Remember, you can always request an appointment or register as a new patient online by visiting rmipc.net and clicking on For Guest > Patient Forms.

### How do I access my reports?
After you log into your patient portal, you can access your reports by following these steps:
1) Click on 📇 Demographics
2) Click on the Exams tab, and
3) Click on the View Report link on the right.

### What is my Username and Password?
Your username is the email address associated with your account. All email addresses have to be unique to each individual patient or the Patient Portal login will not work.

Once an RMI staff member activates the portal for you, you will receive your password via secure email.

You can reset your password by:
1) Clicking on ⚙ Settings, then
2) Click on the Change Password tab.

If you are already registered for the RMI Patient Portal and are having difficulty logging in, please contact RMI at 810.732.1846 or at PatientPortal@rmipc.net.

### Please complete our Patient Survey
We are always trying to improve our services and we value your feedback. Please take the time to complete the Patient Survey, found at https://www.surveymonkey.com/r/3RQJS8P, so we can continue to serve you better.
